HEROTIME

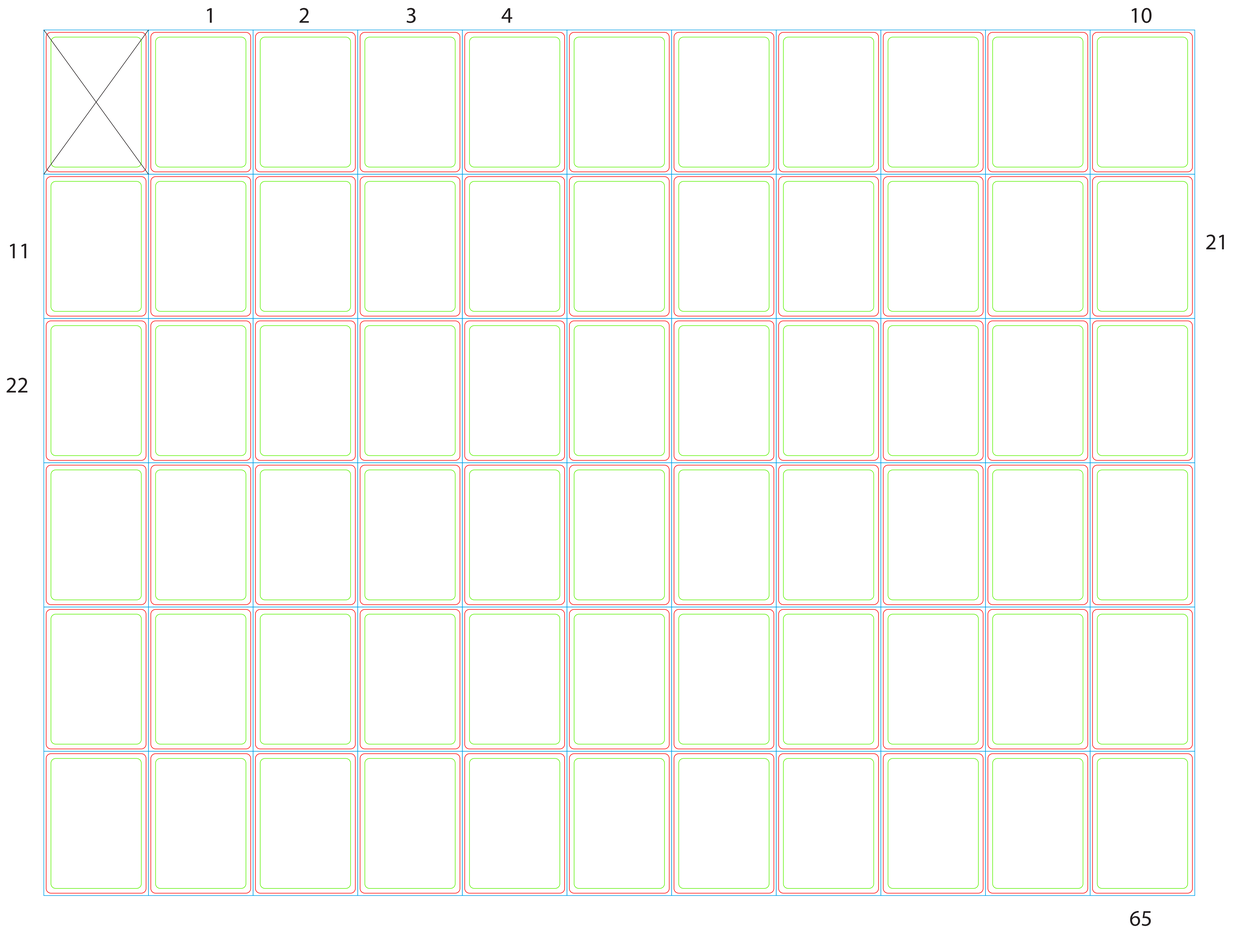

Cards - 63x88mm

Instructions:

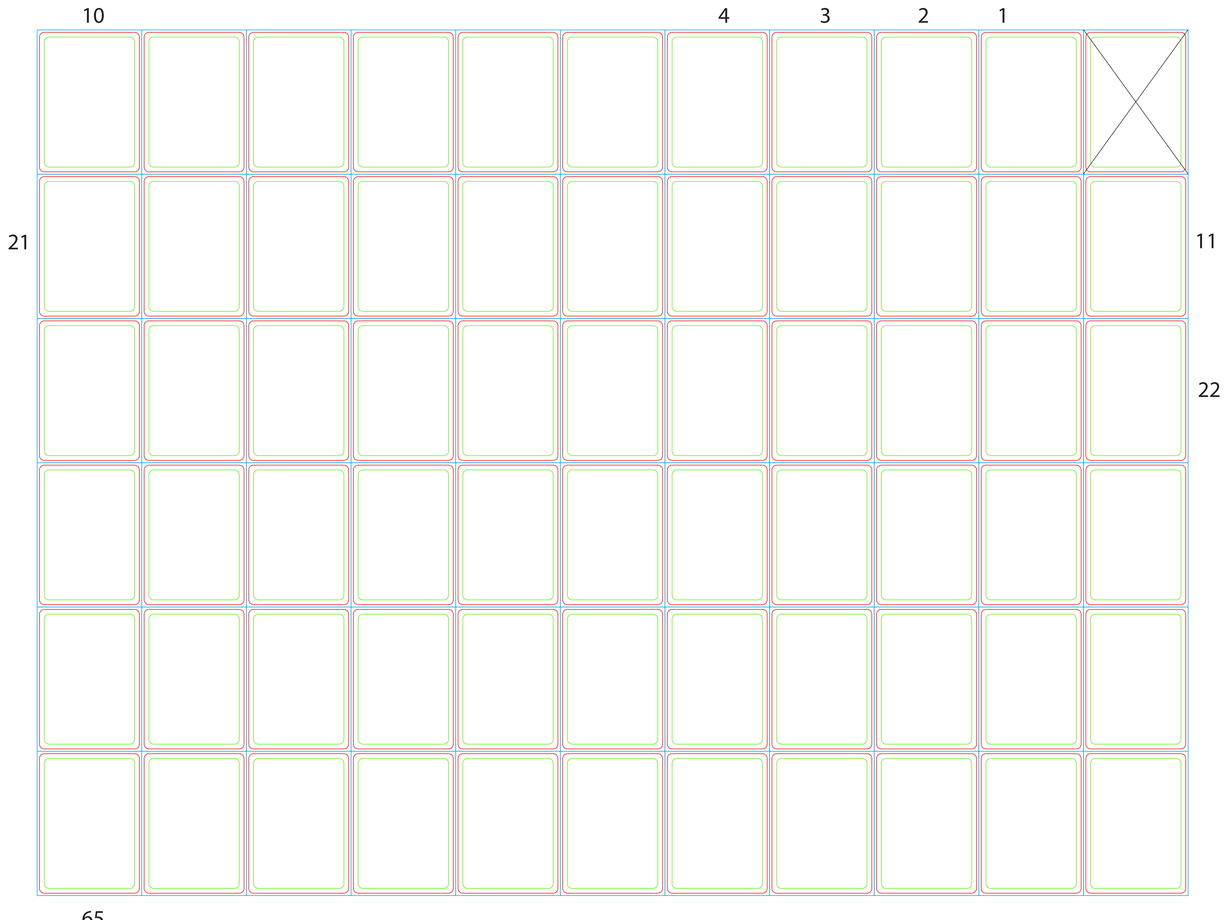

1. Top right corner should stay blank, any additional blank slots should be placed to the left of the first blank spot the order of cards is right to left top to bottom
2. Card number 1 will be the top most card in the deck when the deck is facing up
3. The Back side has a mirror effect and is the opposite direction of the front side
4. If you have more than 1 sheet / deck of cards, please duplicate another page.
   Then, please split and arrange the cards evenly based on the total number of cards + the maximum cards in 1 sheet
   (eg. if you have total 110 cards, please split to 55 per sheet, if you have 87, can be split into 44+43, etc)
5. For further clarifications, you can refer to your key account manager or production associate

Blue lines are the bleeds
Red lines are cut lines
Green lines are margins
Make sure the most important content is within the green line
